OBJECTIVE

Passionate Computer Science and Engineering student with a strong interest in coding and software development. Eager to tackle challenges and build scalable, impactful tech solutions.

ACADEMIC QUALIFICATION

B.E. Computer Science and Engineering

Dr. N.G.P. Institute of Technology

(2023 – 2027)

CGPA - 7.84

HSC

Stanes Anglo Indian Higher

Secondary School (2022)

83.5%

SSLC

Stanes Anglo Indian Higher

Secondary School (2020)

PASS

PROJECTS

Voice-Controlled AI Chess Assistant | 2024

- Voice-Controlled Chess Play: Make moves hands-free using voice commands like “e2e4”, “undo”, and “redo” through Google Speech Recognition.
- Smart Move Assistance: Integrated Stockfish engine analyzes the game in real time to suggest best moves and identify check or checkmate situations.

Skill Exchange Learning Platform | 2025

- A web-based platform where users can exchange knowledge by teaching skills they know and learning skills from others using a credit-based system.
- It features secure authentication, a personalized dashboard showing reputation, credits, and skills, and easy booking of tutoring sessions.

Local Medicine Expiry Management Web Application 2023

- Developed a web-based platform using HTML, CSS, JavaScript, and SQLite to allow local pharmacies to list and manage near-expiry medicines with discounted pricing.
- Implemented product listing, expiry-date tracking, and basic CRUD operations to reduce medicine waste and improve affordability for customers.

INTERNSHIPS

App innovation Technologies |AWS | April - May 2025

- Successfully completed a 15-day internship, working with core AWS services and cloud infrastructure concepts.
- Gained practical experience in cloud deployment, IAM basics, and monitoring AWS resources during the internship..

AREA OF INTEREST

- Web Development Backend
- Cloud Computing (AWS)
- Development Languages - C, Java, Python

EXTRA CURRICULAR ACTIVITY

- Successfully organized an Industrial Visit, providing participants with hands-on exposure to industry practices and real-world applications.

AWARDS AND ACHIEVEMENTS

- Successfully earned Elite Certification (70%) in Internet of Things from NPTEL, demonstrating strong understanding of IoT concepts and real-world applications.
- Obtained Amazon Web Services (AWS) Certification through App Innovation Technologies Pvt Ltd and completed a C++ Programming Course from a reputed academy, strengthening cloud computing knowledge, deployment skills, and object-oriented programming fundamentals.

PERSONAL DETAILS

- Linguistic Skills: English, Tamil Personal
- Qualities: Leadership skills, Optimistic, Adaptability

HOBBIES

- Playing chess, enhancing strategic thinking and decision-making skills
- Practicing fast mental calculations in Mathematics.
- Trained in Abacus, improving numerical ability and concentration.
